### **POLICY**

The College defines categories of academic standing based on a student's academic performance. Academic standing is used to determine:

- · eligibility for program admission, continuation, and promotion

Academic Council has provided the following academic standing categories and related procedures which shall apply in all programs except where Academic Council has approved program-specific standards or procedures. Such program-specific standards or procedures will appear in the academic calendar listing for the program.

- 1. **President's List** Mark of 90% or greater on the RDC and Apprenticeship and Industry Training (AIT) exams
- 2. **Dean's List** Mark of 85% to 89% on the RDC and AIT exams
- 3. **Required to Withdraw** Mandatory twelve (12) month absence from the College due to student non-academic misconduct.

# **DEFINITION**

**Grade Point Average:** is calculated by multiplying the credit weight of each course by the grade points earned in each course. The average is calculated by dividing the total term grade points by the total credit weight of the term. If a course has been repeated the prior grade is excluded from the calculation.
