PURPOSE

Red Deer Polytechnic responds in a sensitive, caring, and professional manner to provide a consistent and coordinated approach in responding to a death of a current or past member of the Polytechnic community.

SCOPE

This policy applies to the Polytechnic community including students, staff, faculty, Board members, and administrators.

POLICY

Upon the death of a member of the Polytechnic community, the Polytechnic responds as appropriate for the given situation:

1. respecting the dignity and privacy of those affected;
2. supporting the needs of those affected by the death;
3. providing assistance to internal departments and external agencies required to investigate the death;
4. compliance with relevant legislation.
